Advanced Care. *Personalized for Each Guest.*

Every patient is unique. Our approach is centered on a thorough evaluation, clear communication and the development of a tailored treatment plan that meets the highest standards of quality and safety.

We offer a wide range of specialist treatments, from complex implant rehabilitation and oral surgery to aesthetic solutions and orthodontic care, all delivered with precision, empathy and discretion.

Our mission is to provide international guests with a seamless and comfortable dental experience, in the heart of Florence.

PATIENT CENTERED

Personalized plans and dedicated support at every step.

SAFETY & QUALITY

High standards of sterilization, protocols and materials.

TIME EFFICIENCY

Efficient scheduling and coordinated care for our international guests.

DISCRETION & CONFIDENTIALITY

Professionalism and privacy in a serene and welcoming environment.

TECHNOLOGY

Precision. Innovation. Results.

We invest continuously in the latest technologies to ensure precise diagnoses, minimally invasive treatment and predictable, long-term outcomes.

3D IMAGING

High-resolution CBCT for accurate diagnosis and treatment planning.

DIGITAL WORKFLOW

Intraoral scanning and digital planning for precision and comfort.

GUIDED SURGERY

Advanced navigation systems for safe and predictable surgery.

STERILIZATION

Strict protocols and state-of-the-art sterilization.
